### ***Exciting New Offerings!***

Your Niagara Frontier Radio Reading Service is excited to offer new publications for your listening pleasure:

1. Weekly readings of the **Syracuse Post Standard** can now be accessed on the Programming page of our website, in our mobile app, and in the major podcast services. Look for it in the Rochester-Genesee Valley feed or in its own section on the Programming page of our website. This restores Radio Reading service to the Syracuse region, which ended during COVID.
2. All the **local and national magazines** we offer on air can now be found in the major podcast services, including Amazon Music, Apple Podcasts, Spotify, and YouTube Music. Listen on your own schedule, how you want.
3. The **Chautauqua Gazette** can now be heard every Monday from 8:30 AM to 9 AM, with all the news from Western New York's Southern Tier county. This replaces the Fort Erie Observer, which is no longer publishing.
